### **Corning Community Food Pantry**

#### **March Food Collection**

**Canned Vegetables, Canned Beans**  
**(like kidney, black, chili, baked beans)**

Thank you, All Saints Parishioners, for your generosity in February. Our clients truly appreciated the extra shelf stable proteins items, especially those who do not have permanent housing. The parents with children home on mid-winter break were also very thankful.

For the month of March, we are asking for **canned vegetables and beans.** Please select some of your family's favorites — as we have limited variety of these items for our clients to choose (as there is not much variety at the Food Bank where we order). When you shop for your own food it would be wonderful if you could select a few extra of these items for our clients. We are so grateful for all that you donate — as are our clients.

**With all of our parish work and restoration, we can't forget the CMA!**

Remember, part of our responsibility as Catholics is to support the machinery of the Diocese, and the needs of our communities serviced through Catholic charities.

Let us work to meet the goal we have been given, seeing in it our support for the person of the Bishop, both emeritus and elect!

Envelopes for the CMA donations can be found at the entrances of the church.

### **Lenten Soup Suppers** ***Friday Nights During Lent***

Bring your family, friends, and join us in prayer and community as we journey through Lent together.**
