Archbishop Paul S. Coakley, president of the U.S. Conference of Catholic Bishops, made the following statement in regards to the war in Iran and the Middle East.

"The growing conflict risks spiraling into a wider regional war. As the Holy Father has warned, we are faced with the possibility of a tragedy of immense proportions. My brother bishops and I unite our voice with our Holy Father and make the heartfelt appeal to all parties involved for diplomacy to regain its proper role. We ask for a halt to the spiral of violence, and a return to multilateral diplomatic engagement that seeks to uphold the 'well-being of peoples, who yearn for peaceful existence founded on justice.' All nations, international bodies, and partners committed to peace must exert every effort to prevent further escalation.

"At this critical moment, I invite Catholics and all people of goodwill to continue our ardent prayers for peace in the Middle East, for the safety of our troops and the innocent, that leaders may seek dialogue over destruction, and pursue the common good over the tragedy of war. We implore the intercession of our Blessed Mother, Mary, Queen of Peace, to pray for our troubled world and for a lasting peace."

I encourage you to pray a daily rosary for peace. Mary Queen of Peace, Pray for us. God's blessing and peace, *Father Bill*

CRS Rice Bowl is once again our parish Lenten alms giving program. This Catholic Relief Services Lenten program helps people in developing countries to break the cycle of poverty by developing skills and means to provide for their families. Experience how families around the world live, work and play in a series of short Stories of Hope at www.crsricebowl.org.

In the town of **Janlay, Guatemala**, the streets are filled with people wearing bright, colorful clothes that stand out against the bold green of the surrounding mountains. Many in the community are talented weavers—like Maribel, who creates traditional güipiles, the embroidered blouses worn by Indigenous women in Central America.

Maribel is also mom to a cheerful little girl named Juana, who—like many toddlers— keeps Maribel on her toes. "She's a very healthy little girl. She loves running around the house. She's the one who brings happiness to our home," Maribel says.

But they face challenges too. When Juana was just 4 months old, Maribel's husband had to travel far to find work. Maribel stayed home with Juana, doing her best to take care of her. She needed help. Then she joined a CRS program that offered nutrition classes, where she learned how to make healthy food choices for her family. Her family was used to eating chips and drinking soda, which made them feel tired and unwell. But after making changes to their diet, their health is improving.

Now, Maribel feeds Juana fruits, vegetables, eggs and hot cereal full of vitamins and protein. She also makes her own drinks instead of buying soda. "The moment we stopped drinking soda, my mom started to feel better," Maribel says. Now, her mom's hands don't hurt when she knits and she can stand up to wash clothes.

Maribel also learned that it's important for her to take vitamins, like iron, because Juana receives them through her breast milk. "We learned that we need to stay healthy for our children, and not just as mothers. It's important for all girls to take their vitamins so that we are well," she says.

The program also taught families—and the whole community—how to save money and build better habits for everyday life. Today, Maribel is thankful for the program. She says, "For all the support they've given us, we feel very grateful. Through healthy eating and the practice of saving, we have been able to improve our family's health, nutrition and financial well-being."

This Lent, try tostadas, a meatless dish commonly eaten in Guatemala.

During this Lenten season, may our prayers, fasting and almsgiving give us the courage to go forth and share our gifts with the world.

Annual Confirmation Retreat

As I write in this article, we have just finished our annual Confirmation retreat for 1st and 2nd year Confirmation Candidates from throughout Cayuga County. The all-day retreat was held all day at Sacred Heart Church followed by the 4 PM Mass. Fr. Karani celebrated the Mass and took the time to speak directly to the Candidates about their calling to follow and serve the Lord.

The Retreat for the 48 attendees revolved around the themes of Catholic Social Justice, Jesus in the Scriptures and Discernment of their calling to serve the Church as they move on to their future as young adults.

The facilitators all agreed that the young people were open in their discussions and had serious questions about how they can better live out their faith as Jesus calls all of us to do in the Beatitudes. They shared many situations and events they have experienced that allowed them to live out their faith through actions to help others in the world around them. Calling out bullying, visiting the sick, helping another student with their studies, helping a neighbor with shoveling snow and many other good deeds came to mind. They also enjoyed thinking of how they can make a difference in a world that seems so challenged to follow God's plan for us in today's world.

If you or someone you know is interested in entering the Confirmation process, please reach out to me. The Candidate needs to be entering the 8th grade or later, be a practicing Catholic and have attended Faith Formation classes for at least the year before starting the program.

The 2nd year Candidates will be confirmed on Tuesday May 5th at St. Mary's Church. Please keep them in your prayers. They are the future of our local Church.
