HOLY FAMILY CATHOLIC COMMUNITY

To Live the Great Commandment: Love of God and Love of Neighbor

Fr. John Gathenya

A VISION AND HOPE FOR HOLY FAMILY CATHOLIC COMMUNITY: AN ACTIVE AND DYNAMIC PARISH

"A parish is a definite community of the Christian faithful established on a stable basis within a particular Church; the pastoral care of the parish is entrusted to a pastor as its own shepherd under the authority of the diocesan bishop" The pastor has grave responsibilities to his flock. He must preach the Word of God; instruct the people in the faith; promote apostolic works; see to the Catholic education of children; reach out to those either who have stopped practicing the faith or who do not believe; ensure the devout celebration of the sacraments, particularly the most holy Eucharist and penance; and foster family prayer and devotion. However, parish life does not depend solely on the priests. The Second Vatican Council's "Decree on the Apostolate of Lay People" asserted that the laity should be filled with an apostolic spirit and work closely with their priests. "Nourished by their active participation in the liturgical life of their community, they engage zealously in its apostolic works; they draw men toward the Church who had been perhaps very far away from it; they ardently cooperate in the spread of the word of God, particularly by catechetical instruction; **by their expert assistance they increase the efficacy of the care of souls as well as of the administration of the goods of the Church.**"

Membership in any organization or group implies both privileges and responsibilities. The same is true for Holy Family Catholic Community parishioners. **One who is an active (registered) participating member of Holy Family parish: attends Sunday Mass regularly to be nourished by the Word and Eucharist; takes advantage of the opportunity to receive the healing and sustaining grace available from our Lord through the Sacrament of Reconciliation (Confession); participates in parish life by attending religious and social programs whenever possible; assumes responsibility for the parish life by becoming involved and serving according to one's abilities; supports the parish to provide for the continuance of ministries within the parish and outreach to the surrounding community.** Active, participating parishioners enjoy a unique union with Christ and, in him, with one another in the parish family. They are grateful for blessings received and strive to live out the call to discipleship in their daily lives. All members are asked to share in the responsibility of financially supporting their parish and are encouraged to use envelopes with their contributions or electronic giving. **Why then register with Holy Family Catholic Community?** Registering in a parish is a declaration of your desire to be part of our Catholic community and to make a commitment to the life of the parish family. Being a registered parishioner makes the process easier when it is time for infant baptism, weddings, budgeting, discerning the needs of the parish and when asked to be a baptismal or confirmation sponsor, and even funerals. A registered parishioner is able to receive parish mailings. We accept anyone who in fact wants to share in the life of our parish.

Please contact the parish office if you wish to register with Holy Family Catholic Community. As best we can, we would like to keep our records up to date. Please notify the parish office of changes in your contact information or if your status with the parish has changed.

Readings for March 8, 2026

First Reading:

"Strike the rock, and the water will flow from it for the people to drink." (Ex 17:6)

Psalm:

If today you hear his voice, harden not your hearts. (Ps 95)

Second Reading:

And hope does not disappoint, because the love of God has been poured out into our hearts through the Holy Spirit who has been given to us. (Rom 5:5)

Gospel:

"Everyone who drinks this water will be thirsty again; but whoever drinks the water I shall give will never thirst; the water I shall give will become in him a spring of water welling up to eternal life." (Jn 4:13-14)

QUESTIONS OF THE WEEK

1st Reading Question

God answers Moses' prayer of petition to give the Israelites water to drink before they die of thirst in the desert. What would you like to ask from the Lord in the upcoming week?

2nd Reading Question

Paul tells the Romans to have hope because the Holy Spirit pours the love of God into our hearts. What are you hoping for this Lent?

Gospel Question

The Samaritan woman eventually comes to believe in Jesus as the Messiah and savior of the world. What convinces you that Jesus is your Lord and Savior?

One way our parish helps local families is through the St. Vincent de Paul Society

Thank you to our parish community for all the adult clothing and foot ware donations to CANN and St. Vincent de Paul. Your generous donations will provide warmth for many local families. Thank you for your thoughtfulness and dedication to our ministries.

RESPECT LIFE MINISTRY

Are we listening to God our Father this Lenten season? During this time of prayer, fasting and almsgiving our thoughts automatically go to "giving up" something- sweets, gossiping, shopping or social media. To recognize and elevate the gift of our God-given life maybe this year we can add some "to-dos" to our Lenten journey. We can strive to be more kind and more grateful. We can pray for others in their struggles, greet strangers, welcome newcomers to church, read a Bible passage each morning or night, attend one more Mass weekly, or go out of your way to offer your help or talents to others. We can set aside time for quiet meditation, providing an opportunity to hear God's voice, to serve and draw nearer and more open to our Lord. In "The Word Among US" for Lent 2026, "Jesus makes it clear that his kingdom isn't about power and honor or title or selfish ambition. It's about humility and service. It's about caring for one another and lifting up the lowly. Ask Jesus today, "How can I be truly 'great'? How can I serve you and others? You might be surprised it's not as complicated as you might think...Just use the gifts God has given you to serve him and others. And even when you feel weak, be assured that you are doing a great thing in God's eyes.... If you see an opportunity to help or share a message from the Lord, take heart and be bold! Our God can work through the most unlikely people – including you – to heal a broken world." How often the world seems chaotic, rejecting faith in God! We can feel that there's nothing we can do. But we can pray for the world. In the words of evangelist Natalie Breckenridge, "Your prayers are not small. They are seismic. Every time you whisper 'Jesus'.... you are reinforcing heaven's authority in your space ...You carry heaven. And heaven moves when you do."

So that there may be no confusion about this issue, to be considered an active and contributing member of the parish, people must be attending Mass on Sunday here at Holy Family, be financially supporting the parish, and be involved in the parish on some level. **By far my greatest concern is that you attend Mass every Sunday.** If you are not attending Mass, then it would certainly be dishonest for me to report that you are an active parishioner. **The only exception are our Home bound parishioners and those in health care facilities, and note well, many of them remain the great financial donors of our church!**

Lastly this is the year dedicated to Teenagers in Holy Family Catholic Community—a top priority that in all angles we focus on youth ministry: A Successful active and dynamic parish recognize the importance of engaging young people and creating programs and activities that meet their needs. This can involve developing a vibrant youth group, offering religious education classes, and providing opportunities for young people to serve the community.

THANK YOU for all the contributions of time, talent, and treasure that you make to our parish. It is obvious our parish has benefited and we want to let you know it is appreciated. Peace and Hope, Fr. John

MESSAGE OF LOVE – Today we kick off our next prison outreach effort to reach out to prisoners at Easter. We have 150 Message of Love cards to be shared among our four churches. Please remember to fill out the back of the card, if you take one or more for the members of your family, with an anonymous, heartfelt, uplifting, hopeful, loving message written by you. After the message is written, the card may be dropped in the specially marked red box in the back of church.

Please return them to the red box by March 29th, Palm Sunday.

Thank you for giving the inmates this Easter gift.

Visitation of the sick and homebound - Fr. John and Deacon Paul would like to reach out to those who are sick and homebound. Please contact the office to set up a time for visitation, 728-2228.

Holy Family Catholic Community extends an open invitation to all parishioners to join our Faith Enrichment Community in exploring and studying the Holy Scriptures, St. Paul's letter to the Galatians. Our next gathering will be **March 11, 3.00- 4.00 PM, in the ANNEX building.**
