APPOINTED, ANOINTED, AND COMMISSIONED

By: Kathryn McAlarney

Many of you may know that I have happily worked/volunteered at St. Louis in Adult Formation for years, but during a 30-day Ignatian retreat in 2019, I sensed God wanted to redeploy me. I prayed a 54-day novena asking God what He wanted in my life and He laid out His plan. The week the novena ended I knew He was pointing to a spiritual director, I had Franciscan's program information and even the means for paying for this 3-year program. God was really taking care of everything!!!

While I still feel that our parish's duty to provide Adult Formation is crucial, my calling now is to work with a smaller group of people who are committed to growing in relationship with God through prayer and attentiveness to how God is working in their everyday lives. I hope to live out the call made by St. John Paul II, "We need heralds of the Gospel who are experts in humanity, who know the depths of the human heart, who can share the joys and hopes, the agonies and distress of people today, but at the same time contemplatives who have fallen in love with God."

This program has had a profound effect on me. I have indeed fallen in love with God. My prayer life is so rich now! If that wasn't enough, I am overwhelmed with humility and awe when I witness what He is doing in the lives of those who come for spiritual direction. The whole process is amazing!

Increasingly today, many lay faithful are turning to spiritual direction to grow closer to Christ, heal their wounds, and become aware of God's presence in their lives. There is such a need for spiritual direction and for spiritual directors! Personally, I have been flooded with requests for spiritual direction, but if you would like to see if I have availability, please email me at mcalarney1@gmail.com.

If you feel called to become a spiritual director, you can explore this ministry and learn more about the certification program at Franciscan University at Steubenville. Please visit the School of Spiritual Direction website at institutes.franciscan.edu/school-spiritual-direction.

VOLUNTEERS NEEDED!

Children's Liturgy of the Word during the 10:30 Mass!

Children's Liturgy of the Word will be
starting up again this fall! Volunteer
leaders are needed (scheduled once/
month) at the 10:30 AM Mass.

Each week, two leaders go with our
youngest parishioners from the church
right before the readings to the parish
meeting hall. There the leaders read
the Gospel with the children and have
a discussion/lesson/activity about
God's Word. After the homily, the
children return to their families for the
Liturgy of the Eucharist.

This is a wonderful, joy filled ministry!
Chrissy will train and support
volunteers as much as they wish.
Teams of two will be scheduled each
week.

please contact Chrissy Carpenter at

MARRIAGE & THE HOLY SACRIFICE OF THE MASS: A TESTIMONY

Bob Coombs, Parishioner

Raised as a Methodist, I attended Mass for several years before meeting my wife, Tere. I longed to receive the Eucharist. When we decided to marry, I knew I wanted to become a Roman Catholic and was prepared by a Jesuit priest in Lima, Peru. My First Communion was at our wedding Mass. What joy, to be united that day to the two loves of my life: Tere and God!

JESUS, THE CENTER OF OUR LIVES

"Christian life is simple; a Christian does not need to do strange or difficult things, but put Jesus at the center of his or her daily choices." ~Pope Francis

As summer draws to a close, here are some activities that you can do as a family that will model for your children ways to keep Jesus at the center of their lives:

- 1. Plan an evening picnic.** Have everyone lend a helping hand to gather supplies. Begin the picnic with a prayer thanking God for the gift of healthy food, the beauty of Creation, and the joy of family.
- 2. Outdoor Theater.** Encourage your child to choose a favorite Bible story to act out, such as Jesus healing the blind man. Design a script so that all participants can play a role and have a few important lines to say. Create simple costumes & props. Invite your neighbors, friends, and family members over for the show.
- 3. Sunflower Activity.** Scan the QR code to the right & have your child(ren) each make a sunflower that symbolizes Jesus at the center of their life. Follow it up by visiting the beautiful sunflower field at Hopkins Farm (located on Calkins Road just west of Clover Street). Send us a picture of your visit there so we can post it on our bulletin board! (send to pstlouisff@dor.org)

A PRAYER FOR OUR TEACHERS

Pray for Our Teachers & Staff as They Prepare for Our School Year!

Father,

Thank you for all those men and women who have given their talents to educating our young people. Through the challenges, they encounter each day, lead them to an ever deeper appreciation of the sacred duty to which you have called them.

We give thanks for the invaluable work of all those who contribute to the efficient running of our schools; parish staff, school office staff, maintenance staff, and teachers' aides. We thank them for their hard work and dedication and we pray that they may continue to work in support of our schools.

Thank you for all those who lead our Catholic schools. May they be people of integrity so that they can be witnesses as well as teachers. We pray that the schools they lead will become places where our young people can experience your love in their lives.

Thank you for St. Louis School Help us to pray without ceasing, to work without wavering, and to give without grudging in order to ensure the future of Catholic education for all of our children

We make this prayer through your Son, Jesus Christ, our teacher, and our Lord, **Amen.**
